

Make-Up Session Policy for Rockit Performing Arts

At Rockit Performing Arts, we strive to provide a consistent and enriching experience for all our students. To ensure clarity regarding make-up sessions, we have established the following policy:

1. Missed Classes Due to Illness, Events or Holidays:

Families are advised that if a student misses a class due to family illness, events or holiday commitments, Rockit is unable to offer make-up sessions. This policy is in place to maintain the integrity of our class schedules and to ensure that all students receive the full benefit of their enrolled classes.

2. Classes Cancelled by Rockit:

In the event that Rockit Performing Arts cancels a class, we will provide options for make-up sessions. Parents will be notified of available dates and times to ensure that students can make up for the missed instruction.

3. Drop-Off Policy:

Parents and caregivers are not permitted to drop students off at the studio expecting make-up sessions. At no time should families drop off children at the studio outside of the scheduled class time that has been booked and paid for. Rockit staff are unable to provide supervision for students in the building not attending during their regular class time. This measure is to ensure that we can manage class sizes and maintain a safe environment for all students.

We appreciate your understanding and cooperation with this policy, which is designed to support the best possible learning environment for our dancers. If you have any questions or need further clarification, please do not hesitate to contact our studio staff.
